(3) The grant of this stipend will be held to constitute a lien on the candidate's services for a period of five years after leaving the College, and removal for misconduct within that time will be grounds for refund of the total stipend awarded, and for this, proper security will be demanded. On the other hand, Government will be under no obligation to employ the candidate after returning from the College, while it may discontinue the grant of stipend at any time during the College course without assigning any reason for so doing.

For further information regarding the rules, etc., of the College, applicants should address this office.

MYSORE CITY IMPROVEMENTS DIVISION.

Dated 12th March 1908.

Notice is hereby given that sealed tenders will be received at the office of the Executive Engineer, Mysore City Improvements Division, up to 15th April 1908, for constructing drains, silt traps, flush tanks, etc., in New Idga Extension. An approximate estimate of quantities is given below. These quantities are not guaranteed. The work should be completed by the end of September 1908.

2. The plans, detailed estimate and conditions may be seen at the Executive Engineer's Office, Mysore City Improvements Division, at Mysore, between the hours of 11 A.M. and 5 P.M.

3. Tenders should be submitted on printed forms which may be obtained from the Executive Engineer. The tenders should be accompanied by a statement in the form given below, showing the rates at which the different items specified will be executed.

4. Each tender must be accompanied by a deposit of Rs. 500 in cash or Government Promissory Notes, as earnest money and be superscribed "Tender for constructing drains, etc., in New Idga Extension," in default of which, tenders will be rejected.

5. The final acceptance of any tender will rest with the Government, after selection by the Board, who do not bind themselves to accept the lowest or any tender or to assign any reason whatever for the rejection of any tender.

6. Within eight days of the acceptance of the tender, the successful competitor will be required to execute the usual contract bond; in default of which, his tender will be considered cancelled, and his earnest money will be forfeited.
